

PACIFIC DECADAL VARIABILITY

M. Barlow, S. Nigam, E.H. Berbery

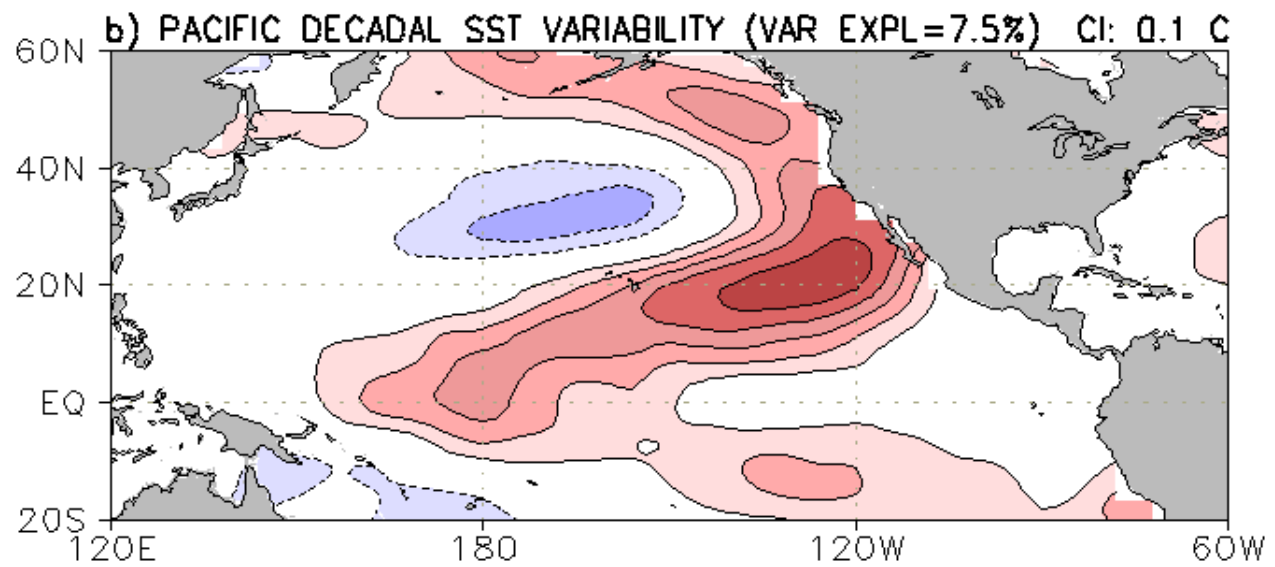

[Return to M. Barlow's Home Page]

We are currently preparing two manuscripts on Pacific Decadal Variability and the linkages to U.S. drought. Please contact me (barlow@atmos.umd.edu), if you would like to discuss this topic. Here are the spatial patterns for the first three modes of SST variability: ENSO, the Pacific Decadal Oscillation (PDO), and the North Pacific mode:

Pacific SST Variability

PACIFIC DECADAL OSCILLATION (PDO)

NORTH PACIFIC MODE
